

# Door County Health Plan 2012

**The Health Plan provides a vital resource to:**

**Inform & educate  
community about  
health issues**

**Identify  
community  
interventions**

**Promote and  
encourage  
healthy behaviors**

**Assure health  
services  
accessibility & quality**

**Monitor health  
status & identify  
emerging issues**

**Develop policies  
& plans**

**Mobilize  
community  
partnerships to  
address issues**

**Research  
innovative  
solutions to  
health issues**

## **Priority Areas**

**1. Mental Health    2. Adequate Food and Nutrition    3. Oral Health Care**
